9 月考题预测 (加亮题目为本月重点预测题)

➤ Education

1. Do you agree or disagree with the following statement: The young people today are facing more personal and work-related challenges than their parents did fifty years ago.

2. Which of the following should the parents do to rectify the behavior of their children ? 1. limit the type of TV or films 2. spend more time 3. monitor and supervise children's activities with their friends

3. Parents should encourage their children to do their school work independently rather than help them with their school work.

4. Parents give their children weekly money to buy whatever they want.

Some people think this can cause bad habits and ideas about money in children. Others think the opposite. What's your opinion?

5. Some people believe going on field trips is better for children's education (eg. go to museum), while others think it is better for children to study in the classroom at school, which one do you prefer and explain why.

6. Do you agree or disagree with the following statement?

Younger school children should be required to study art and music in addition to study math, language, science, and history.

7. Which one of the following values is the most important to share with a young child aged 5 to 10?

- 1) Being helpful to others
- 2) Being honest
- 3) Being well-organized

8. Teachers should be paid at least as much as doctors, lawyers or business leaders are paid.

9. Parents learn more from their children than their children do from them nowadays.

10. When parents cannot afford time to accompany with their children, they could choose to send their children to child-care center where many children

are cared together; or they could send their children to an individual caregiver.

11. Students do not respect their teachers as much as they did in the past.

12. Do you agree or disagree with the following statement? In modern times, grandparents cannot give their grandchildren useful advice because the world of today and the world of 50 years ago are too different.

13. You are helping to select a leader for a student organization or a group. Do you think a person's honesty is the most important characteristic for being a leader?

14. Do you agree or disagree with the following statement: It is much easier for parents to raise children now than fifty years ago.

15. A lot of high school students now cheat in homework assignments, by asking other students for answers. Which of the following do you think is the most efficient way to stop?

-asking parents to help stop the students from cheating

-penalty or punishment to the students

-asking teachers to create homework assignment that cannot be easily cheated.

➤ **Work & Success**

1. In order to succeed, it is better to be like others rather than different from everybody else.

2. Should company use public recognition to reward hard working, not to use money.

3. The best leader should spend more time listening to other people's ideas than taking his/her own ideas.

4. One quality that a successful leader must have is to make decision quickly; when a leader takes too much time to make decisions, he will be seen as ineffective to the people he lead.

5. It is better for colleagues or classmates to communicate in person than through emails in order to do a project.

6. It is better to finish a project completely and then do another project than do two or more projects at the same time.

7. People who develop different skills are more successful than people who develop one skill only.

8. Young people should try several different jobs before taking a long term career.

9. For success in school and work, the ability to adapt or adjust to a changing condition or circumstance is more important than having excellent knowledge of a job or in a field of study". Use specific reasons and details to support your answer.

➤ Lifestyle

1. Some people think that we should keep away from others to improve our

relationship, because being away from people reminds us of how important they are. Others think we should always stay with others to have good relationship because we can communicate with them more often. Which do you prefer?
