往月考题

➤ 2月23日 [Education]

Do you agree or disagree with the following statement?

It is difficult for a teacher to be both popular (well-liked) and effective in helping students in learning.

➤ 2月24日 [Education]

Currently, it is discovered that many university students do not have good learning habits. Some think they should be required to take courses teaching learning skills, while others think there is no need to set the classes as compulsory courses. What is your opinion?

3月考题预测 (加亮题目为本月重点预测题)

➤ Education

1. When choosing the final course, do you prefer to take a course taught by the professor with whom you have not had classes before or a course taught by the professor whose class you have taken before.
2. A lot of high school students now cheat in homework assignments, by asking other students for answers. Which of the following do you think is the

most efficient way to stop?

-asking parents to help stop the students from cheating

-penalty or punishment to the students

-asking teachers to create homework assignment that cannot be easily cheated.

3. In order to get a better performance , such as getting better grades at school or getting a promotion or a higher payment, you prefer to which ?

1) doing additional exercise or extra assignment beyond is required

2) participating more actively and sharing your own ideas in a group discussion

4. Which one of the following values is the most important to share with a young child aged 5 to 10?

-Being helpful to others

-Being honest

-Being well-organized

5. Educating children is a more difficult task now because children spend too much time on cell phones, online games and social networking websites.

6. Students should be encouraged to take courses like science, technology, engineering and math that are likely to lead to job opportunities rather than subjects they might be interested in.

7. Some teachers just lecturing (speaking) on the class and students only take notes; some other teachers make their class time on discussion and students sharing their ideas with the class. Which one do you prefer?

8. Children should play and study rather than learn how to do household chores.

9. A high school has decided that all students must take a class in which they learn a practical skill. School administrators are trying to decide whether to hold a class in cooking, managing personal finances or auto repair. Which do you think the school should require students to take?

10. Students do reading by their own is as important as or more important than the reading teachers assigned.

11. Many schools require children (age 5-11) to work together instead of working on their own during most of their learning process. Do you think it is the best way to teach children?

12. When doing group projects, some people are allowed to choose anyone they wish for; others are allowed to choose those who think differently from them. Which do you think is more effective?

➤ Work & Success

1. In order to adapt to the life in university and succeed, if you are a freshman, which method do you think is better:

1) attending a one-week orientation or introduction program when you are in the university campus and before classes begin

2) meeting regularly in your first year with students in your major field who have entered the university for several years

2. Do you agree or disagree with the following statement: After high school, students should have at least one year to work or travel. It's better than

attending university straight away.

3. People should be open to new ideas and change his or her mind to be successful.

4. Do you agree or disagree with the following statement: Taking a lot of time to make an important decision is often considered as a bad quality for a person. However, some people think that it is a good quality for a person

5. It is better for colleagues or classmates to communicate in person than through emails in order to do a project.

6. People who develop different skills are more successful than people who develop one skill only.

7. Young people should try several different jobs before taking a long term career.

8. In order to get a better performance , such as getting better grades at school or getting a promotion or a higher payment, you prefer to which ?

1) doing additional exercise or extra assignment beyond is required

2) participating more actively and sharing your own ideas in a group discussion.
