8月考题预测 (加亮题目为本月重点预测题)

➤ Education

1. Which one is better for teenagers aged 16 to 17 to spend their summer vacation?

A - Attending university courses in advance

B - Visiting museums or historical sites

2. Do you agree or disagree with the following statement?

In many places, students aged 12 to 18 are typically taught different subjects

by different teachers, while younger students are usually taught by only one teacher for all the students. Some people think it would benefit younger students if they are also taught by different teachers.

3. Do you agree or disagree with the following statement?

A university should focus more on its facilities, such as libraries, computers or laboratory rather than on hiring famous teachers?

4. When choosing the final course, do you prefer to take a course taught by the professor with whom you have not had classes before or a course taught by the professor whose class you have taken before.

5. Do you agree or disagree?

Students should be encouraged to take courses like science, technology, engineering and math that are likely to lead to job opportunities rather than subjects they might be interested in.

➤ **Work & Success**

1. When you need to complete a creative task, do you prefer to work together with others or to do it alone?

2. Do you agree or disagree with the following statement?

To be a successful person, one must be open to new ideas and willing to change his or her mind.

3. Which one is the most important factor to help you work productively?

A - Having an environment that is free of noise and distractions

B - Knowing that you will receive a reward

C - Doing something you are interested in

➤ **Lifestyle**

1. Some people think spending time away from people we care about will make us realize their importance. Others think we should spending as many time with them as possible because spending time away will harm a relationship.

2. Do you agree or disagree with the following statement?

It is just as important for older people to study and learn new things as it is for younger people too.

3. Some people like a person, such as running, some people like the collective movement, such as joining a team sport, which do you like?

4. Do you agree or disagree with the following statement? As modern life becomes more complex, it is essential for young people to have the ability to plan and organize.

5. Do you agree or disagree with the statement?

The people in the past are more friendly than people today.

6. Do you agree or disagree with the following statement?

It's better to relax by watching a movie or reading a book than doing physical exercises.

7. Do you agree or disagree with the following statement?

Visiting museums is the best way to learn about a country.

8. Do you agree or disagree with the following statement?

It is better to use one's own knowledge and experience to solve problems than to get advice from others.

9. Which way do you think is the best for a student to make new friends?

A - Joining a sports team

B - Participating in community activities

C - Traveling.

10. Do you agree or disagree with the following statement?

Patience is usually not a good strategy. We should take action now rather than later.

11. Do you agree or disagree with the following statement?

Twenty years from now, people will spend less time cooking or preparing for food?

➤ **Government & Society**

1. Which one do you think is the most useful way to improve our environment?
