

2019 年雅思写作真题回顾之小作文

2019 年 0928 混合图

The graphs show the tourist number to Australia and types of travels among three nations.

The two charts quantify the types of travelers who visited Australia and the mode of their travel.

Overall, in 1995 the largest group of travelers to Australia were the Japanese. However, by 2000 they had been replaced by visitors from the UK and the US. In the 90's most visitors used a travel agency but a decade later the majority of tourists were backpackers.

In 1995 140,000 Japanese tourists visited Australia whereas there were only around 100,000 visitors from the UK and the US. However, five years later in 2000 this demographic had reversed with US and UK visitors outnumbering Japanese tourists by around 4 to 1.

The decade 1995 to 2005 provides clues to this change in tourist numbers. After peaking in 2000, holidays organized by travel agencies dropped off sharply. Backpacking saw a steady rise until by 2005 6 billion holidays were taken this way, while, in the same year travel agencies organized around 7 billion trips.

范文解析：

这是一篇双图的动态图题型小作文，分别为柱状图（bar chart）和曲线图（line graph）。在面对组合图的小作文时，我们只需要分段分别描述这些图即可，如本篇范文，在第三段对于第一个柱状图进行了描述，在第四段对于曲线图的数据进行了描述。接下来我们来看这篇小作文的结构，首先首段作者使用了改写题目的方式，对于图中所描述的数据进行了一个简单的说明。接着第二段，作者分别挑选两个图比较明显的点分别进行了描述，比如说第一个图作者选取的点为：在1995年去澳大利亚旅行的人群主要来自于日本，而2000年后主要的人群则变为了美国人和英国人。接下来两个段落，作者分别对于两个图进行了进一步的描述。描述第一个柱状图时，作者首先对于第一组数据（1995年）进行了对比，然后对于第二组数据（2000年）进行了对比。描述第二个曲线图时，作者首先进行了综述，其次主要针对三点进行对比：2000年后使用旅行社的人数变少了，自由行的人数在2005年后上涨了，最后对比了2005年使用两种方式出行的人数。在写小作文的时候只需要对于数据进行诚实的描述，而不需要根据数据推断出什么结果。在文章的末尾，还为各位考生提供了写这类型小作文时常用的词汇与表达。动态图的写作方法会在启德2019雅思标准化教材的强化段

（intermediate）第二课有详细地介绍。其他类型的小作文写作技巧也会在标准化教材中有详细的讲解，如果大家想学习更多关于雅思写作的内容，欢迎大家来启德上课。
