Prompt:

Describe a female leader you would like to meet. You should say:

Who she is

What she does

What she is like

and explain why you would like to meet her

Alright, to get the ball rolling, if I could meet any female leader, I'd be totally thrilled to meet Alexandria Ocasio-Cortez. She's a **well-known** American politician and activist who's also a member of the **House of Representatives** in New York. In fact, she's the youngest woman to serve in **Congress** in all of American history. And that's definitely an **impressive achievement**.

As a member of the House of Representatives, Ocasio-Cortez represents a specific district in New York. These members of Congress usually **help out with** introducing bills and resolutions **as well as** offering amendments to existing ones. As for Ocasio-Cortez herself, she was actually the one to introduce the Green New Deal, which is, quite frankly, one of the most influential and historic proposals in recent times. The main purpose is to reduce carbon emissions, but other goals include making buildings more **energy-efficient** and creating more jobs in the environmental sector.

Moving on to what Ocasio-Cortez is like as a person, she' s a very bright, passionate, and dedicated person who truly wants to change society for the better. She also has a great **sense of humor** and a really **lively, charming personality**. I mean, she even has makeup tutorials on her Instagram and tweets about her daily life on Twitter. Basically, she can connect extremely well with young people, and she makes Congress a much more **vibrant** place.

Lastly, as for why I' d like to meet her, I just think she' s a wonderful and **inspiring person** overall, and having someone like her in the American government gives me a little more hope. As her long-time follower **on social media** and in the news, I can tell how much she cares about people and wants to make this country more livable, more affordable, more tolerant for everyone. So, I' d love to have the chance to meet and **engage with** her on a more personal level.
